

Advancing Industry 5.0!

Building Skills, Enhancing Employee Voice and
Driving Workplace Innovation

BroadVoice (project
101126433) is co-funded by
the EU.

Funded by the European Union under grant agreement No 101069651. The contents of this publication are however the sole responsibility of the BRIDGES 5.0 project consortium only and do not necessarily reflect those of the European Union or HADEA. Neither the European Union nor HADEA can be held responsible for them.

SEISMEC

The support from Workitects and SEISMEC is
gratefully acknowledged for this conference

Key takeaways from the conference

- Industry 5.0 as a concept that deepens and broadens Industry 4.0, with its focus on human-centric, resilient and sustainable workplaces and societies
- **Industry 5.0 embedded within EU industrial policy:**
 - Other EU policy domains: EPSR, Quality Jobs Roadmap, ... (skills, well-being, safety)
 - National adoption of the Industry 5.0 concept
- **Importance of including workers in the transition towards Industry 5.0:**
 - Direct and indirect participation of workers in Industry 5.0
 - Workforce diversity perspective
- **Importance of ensuring companies are on board in the transition towards Industry 5.0:**
 - How to engage SMEs?
 - How to align management priorities with human-centric principles?
 - Bridging research and practice, offering practical examples and guidance
